ROOSEVELT CELEBRATES

Colonel Fifty-four Years Old Yesterday—Many Messages

Oyster Bay, Oct. 28.—Yesterday was Theodore Roosevelt's fifty-fourth birthday and he celebrated it quietly in doors with his family. Mrs. Roosevelt, Miss Ethel, Theodore, Jr., and his wife and Quentin sat down at the table for the birthday dinner with the head of the family. Kermit, Archie and Mrs. Nicholas Longworth were unable to be there.

In the afternoon, the Emilen Roosevelt dropped in to extend their congratulations and Oscar Straus, Progressive candidate for governor of New York, and Mrs. Straus came from New York by automobile. Colonel Roosevelt asked Mr. and Mrs. Straus to stay for tea, but they felt it would be better for the colonel to rest and remained only a few minutes.

Colonel Roosevelt did not leave the house today. His walk yesterday tired him so much that it was thought best for him to have a complete rest. This afternoon Dr. Alexander Lambert and Dr. George E. Brewer came from New York to dress his wound and found that their patient was continuing to improve.

Wire From Pugilist.
Birthday telegrams came in all day long. One was from John L. Sullivan. "Every good wish to you on your fifty-fourth birthday," the former pugilist wired, "and God's blessings as well as all your life."
"The colonel wired back."
"Good luck to you John."

Automobiles by the score filled the road at the foot of the hill from morning to night. At one time the road at the foot of the hill was blocked with motorcars, each driver awaiting his turn to go up the hill for a sight of the house. Of all the birthday gifts that came to him from many parts of the country, Colonel Roosevelt was especially proud of a painting of a Bull Moose by a New York artist. The painting which is six feet square, was presented to him by August Hecksher, of the neighboring town of Huntington. The gift most peculiarly given came from a woman whose name is

not known to the colonel or his family. The woman, about sixty years old, dressed in black, with a large bundle under her arm stepped from the noon train and inquired the way to Sagamore Hill. She walked the three miles through the village, along the shore of the bay, and up the hill. When Colonel Roosevelt's butler, "Jim" came to the door in answer to her ring, she gave him the bundle.

Not to See Him.
"I didn't come to see him," she said, "I have come from Boston to give him this present on his fifty-fourth birthday."
With that she turned away and started down the hill. "Jim" opened the bundle and saw that it was a small oil painting. He carried it to the colonel.

The woman was seen as she trudged back to the station to take the next train for New York. She refused to give her name or any information about herself, except that she was from Boston.

STOP POLITICAL MEETINGS IN CUBA

Havana, Oct. 28.—While not actually under martial law, Havana is now under absolute military protection against disorders arising from the heated political campaign. In accordance with orders issued by General Pablo Mendizola, who Saturday was appointed by President Gomez to take charge of all the police and military forces in the capital, the streets were patrolled today by police and mounted and foot rural guards. Detachments of regular troops were stationed at strategic points.

Bridge Three Miles Long.

A map and plans of the proposed bridge across San Francisco bay to Oakland have been filed with the board of supervisors in San Francisco. The roadway will swing 150 feet above the water, hang from ten steel and concrete piers, constituting eight arches. The total suspension will be 27,840 feet, in sections 2,230 feet long. Four thousand feet will rest on Yerba Buena Island, which will divide the structure. The San Francisco approach will take off from the summit of Telegraph Hill, which has been reserved by the government for a light station.
